**RE. Change of name to A Class Reserve A2079, to Kwirrup**

This is a letter of support for A Class Reserve A2079 currently *Rock Hole Gully Reserve*, to be changed to the name *Kwirrup Reserve*.

As the current owners of Valemarie Farm, which directly neighbors this reserve, we support this change.

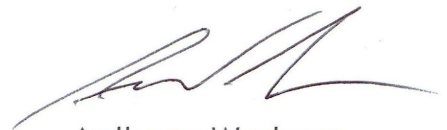

We are aware of, and have seen some of the Western Brush Wallabies that live in the reserve and would welcome the name change to reflect the significance of this small colony of wallabies that inhabits this reserve.

Yours sincerely

Perin Mulcahy
