NOTIFIABLE GIFTS REGISTER – EMPLOYEES

The Shire maintains the following Notifiable Gifts Register in accordance with the *Local Government Act 1995* and associated Regulations. The Notifiable Gifts Register contains those disclosures of gifts that have been made by Shire employees, which are valued between $50 and $300 or are two or more gifts with a cumulative value between $50 and $300 (where the gifts are received from the same donor in a 6-month period). To protect the privacy of individuals, the registers published on the website do not include the address disclosed by an individual donor and will instead include the town or suburb mentioned in the address. The Chief Executive Officer is required to keep a record of the disclosures by way of a register, which is to be published on the Shire's website, as well as made available for public inspection at the Shire's Administration Building.
