Shire of Cranbrook

Dear Phil

RE: Interest Free Loan

The Cranbrook Golf Club would like preapproval of an interest free loan to purchase a mower to mow the golf course. We have not yet found the mower we require but are constantly looking. If we have the amount approved we can purchase when we find what we are looking for. The mower will cost approximately \$20 000 of which we require a loan of \$15 000. We could pay back over 5 years with \$1 500 paid twice yearly.

The club has \$19 297.65 in bank accounts as of the 31 May 2021. We are yet to pay \$4 000 insurance bill. I have attached financials.

The club is currently erecting a storage shed which has cost \$12 000 to date. We have a very active committee that are always looking to improve our facilities and our club. In August we are hosting the 2021 Southern Districts Golf Carnival and expect it to be a financial success.

Ian Pope and Harley Smith are happy to be guarantors.

The Cranbrook Shire has always been very supportive of the Cranbrook Golf Club of which we sincerely thank you for.

Kind regards

Tina Pope
