	<b>Overall change in surplus</b>	<b>\$0</b>

In considering the above adjustments, the closing position remains the same with council maintaining a balanced budget. While working to achieve this outcome some potential issues were identified:

- Factors such as Covid-19 and the global environment are beginning to impact on our costs and are expected to impact future budgets. The Shire must have funds put aside to limit the spread of infection within the workplace and to support the community in the order of \$15,000. Once savings are further identified this may require another budget amendment.
- Previous budget amendments, prompted by extra untied funding received, did not bring to account the movement in the opening funding surplus before committing further expenditure, making it difficult to achieve a balanced budget review and resulted in additional funds coming out of reserves. The deficit identified in the final audited financials was \$163,897 and have made rebalancing the budget very difficult, and the consequences are detailed below.
- Plant reserve is very low. Recommend increasing in future budgets to a minimum level of \$400k-\$500k that would allow a major plant be replaced quickly if needed. A quick comparison of other Band 4 councils show plant reserves of approximately \$340k Shire of Cuballing, \$400k Shire of Dumbleyung, and \$1.3m Shire of Lake Grace.
- It is likely to take many years for Works Depot Reserve to be sufficient to fund the main upgrade of the facility. This type of expenditure does not typically attract grant funding so will need to be funded by council either by way of reserves and/or borrowings.

Following completion of the budget review and to properly consider the impact of estimated projections at 30 June 2022, the items in the table above have been identified as requiring a budget amendment to account for these variances where appropriate. Required budget amendments have been included in Note 5 of the attached budget review document for information, and also presented as a separate recommendation to the budget review for council consideration.

### **Statutory Environment**

Section 6.8(1) (b) of the Local Government Act 1995 provides that expenditure can be incurred when not included in the annual budget provided it is authorised in advance by resolution (absolute majority required).

<b>FILE REFERENCE:</b>	CP203
<b>APPLICANT:</b>	N/A
<b>DATE OF REPORT:</b>	4 March 2022

**Purpose**

The purpose of this report is for the Council to consider:

- Setting the priority ratings of funding applications to be submitted to the Community Sporting and Recreation Facilities Fund (CSRFF) Small Grants Round; and
- Financially supporting the application

**Background**

In 2020/2021 the Tenterden Tennis Club (TTC) advised that their tennis courts were rapidly deteriorating. Following the competition of the 2021 season the TTC wrote to the Shire of Cranbrook to advise of this deterioration. They advised that they were developing an action plan to ensure that they could replace the courts in a timely manner that would not have long lasting effects on the club.

The Shire of Cranbrook have since been working with the club, developing the most appropriate, cost effective and sustainable action for the courts moving forward.

**Officer’s Comment**

The Tenterden Tennis Club are going to be rebuild 4 of their 6 existing courts. The project entails the removal of existing courts, site establishment of new court bases including road base, sealing, kerbing, asphalt, and hard-court surface. Upon completion of this construction a new professional tennis court fencing will be installed to complete the project.

It is important to note that the current courts have deteriorated significantly and this has occurred at a rapid rate. Should this project not go ahead it will be detrimental to the club.

For this application, the Shire will be applying for \$82,160 ex GST and requests that Council support the following budget:

<b>FUNDING</b>	<b>AMOUNT EX GST</b>
CSRFF	\$82,160.00
Shire of Cranbrook - Cash	\$82,160.00
Tenterden Tennis Club Cash	\$78,710.00
Tenterden Tennis Club In-kind – Skilled Labour	\$1,200.00
Tenterden Tennis Club In-kind – Unskilled Labour	\$2,250.00
<b>TOTAL</b>	<b>\$246,480.00</b>

Once the Council have considered this request and if the Officer's Recommendation is adopted, the grant application is sent to DLGSCI. Notification of the outcome should be received from DSR by mid June 2022. The Council's contribution will then be included in the 2022/2023 draft budget considerations.

**10.2.2 COMPLIANCE AUDIT RETURN - 2021**

**RESPONSIBLE OFFICER:** Linda Gray – Chief Executive Officer  
**REPORT AUTHOR:** Linda Gray – Chief Executive Officer  
**FILE REFERENCE:** AD5  
**APPLICANT:** N/A  
**DATE OF REPORT:** 8 March 2022  
**ATTACHMENTS:** 2021 Compliance Audit Return

---

**Purpose**

The purpose of this report is for the Council to consider the Compliance Audit Return (CAR) for the 2021 calendar year as required by the Local Government Act 1995.

**Background**

The CAR is one of the tools that allow the Council to monitor how the organisation is functioning. Each Local Government is required to carry out a compliance audit for the period 1 January – 31 December 2021 against the requirements included in the Local Government (Audit) Regulations. Due to staffing changes and a very short timeframe a consultant was engaged to complete the 2021 CAR.

**Officers Comment**

The current structure of the CAR is restricted to the areas of compliance of those considered high risk. The Audit Committee is required to review the CAR and report the results of that review to the Council prior to adoption by the full Council and submission to the Department of Local Government Sport and Cultural Industries.

After the CAR has been presented to the Council, a certified copy of the return together with the relevant section of the minutes and any additional information explaining or qualifying the Compliance Audit is to be submitted to the Executive Director of the Department of Local Government Sport and Cultural Industries by 31 March 2022.

The Compliance Audit Return is attached and it should be noted by Council that there are some negative findings this year being a total of 5/98 being 5%, all of these have been addressed:

Tenders	2 out of 22
Commercial Trading Activities	0 out of 5
Delegations of Power	3 out of 13
Disclosure of Interest	0 out of 25
Disposal of Property	0 out of 2
Elections	0 out of 3
Integrated Planning	0 out of 3
Finance	0 out of 7
LG Employees	0 out of 6

Optional Questions	0 out of 9

**Statutory Environment**

The Local Government (Audit) regulations define the process and requirements for the compliance audit return.

### **Policy Applicable – Implications**

**12.1 VOLUNTARY REGIONAL ORGANISATION OF COUNCILS RESOURCE SHARING – SUPPORT OF REGIONAL HUB**

**RESPONSIBLE OFFICER:** Linda Gray – Chief Executive Officer

**REPORT AUTHOR:** Linda Gray – Chief Executive Officer

**FILE REFERENCE:** GO22

**APPLICANT:** Nil

**DATE OF REPORT:** 15 March 2022

**ATTACHMENTS:** Nil

---

**Purpose**

The purpose of this report is for the Council to approve the exclusion of the Shire of Cranbrook from the proposed plan espoused by the Voluntary Regional Organisation of Councils (VROC) to request the Minister for Housing; Lands; Homelessness; Local Government, Hon John Carey BA MLA to provide and pay for a consultant to do an assessment of the VROC’s essential services, the current performance of each Council, and an assessment of what it could look like in five years as a regional hub.

**Background**

On 17 September 2021, there was a VROC Meeting in Cranbrook that discussed potential resource sharing opportunities including payroll and workplace health and safety. An action was moved and seconded by Councillors “that VROC form a working group of CEOs and Presidents to investigate a resource sharing platform”.

Further on, at the full VROC meeting held in Gnowangerup the subject was raised again that a request should be sent to the Minister to appoint and pay for a consultant to solve the problem of how things should progress and asking for assistance to set up a regional hub. It was decided at the Gnowangerup meeting to set up a working group comprising 3 CEOs and 3 Presidents.

Despite the Shire of Cranbrook’s CEO and the Shire President voting against the proposal, Cr Phil Horrocks, was included in the working party.

Information was brought back to the working group’s first meeting about the operational procedures of the Shires to look at potential sharing of resources, and Cr Phil Horrocks attended that meeting.

### **Officer's Comment**

It should be made clear that several Shires already share resources such as a Health Officer and previously a Building Officer, and for smaller regional Shires there is a logic to do so where a full-time officer is not required. The Shire of Cranbrook would continue to do so and always assess these types of opportunities in term of efficiencies gained.

In addition, the Shire of Cranbrook suggested a joint approach on some current issues such as cyber security at the meeting at Gnowangerup.

There is danger that the Shire of Cranbrook could lose its ability to be agile and innovative in this current climate if it became part of a regional hub. Some of the issues such as staffing shortages discussed are not a problem for the Shire of Cranbrook, and whilst it is hard to forecast the impacts in five to ten years, it does not seem wise to advocate to be part of a larger unwieldy local government hub when the Shire of Cranbrook can change quickly to meet the challenges of the external environment. In addition, situations can change and there may be more potential for savings in efficiencies if aligned with another local government, it doesn't necessarily have to be those in VROC.

The Local Government Reform does talk about local governments being able to set up as beneficial enterprises and act as businesses, but the Shire of Cranbrook needs to meet the objectives of its Strategic Community Plan first. Additional funding sources would be good but it also takes time and money and an appetite for risk that the Shire cannot afford to have.

### **Statutory Environment**
