

TENTERDEN TENNIS CLUB  
INC.

**6th April 2022**

**Mr Phil Horrocks  
Shire President  
Shire of Cranbrook  
Cranbrook WA 6321**

**Dear Phil,**

The Tenterden Tennis Club seek your pre-approval for a Community Associations Financial Assistance Loan to assist the club with the remaining contribution for the CSRFF application. As per the application the contributions must be one third each which would require the Tenterden Tennis Club to contribute \$82,160.00 ex GST. The club is able to donate \$3,450 in in-kind labour to the project and \$48,000 ex GST in cash. This would leave an outstanding amount of \$30,170 of which the Tenterden Tennis Club would like to apply for a loan through the Shires Community Associations Financial Assistance Loan Reserve.

This amount would only be required should the CSRFF application be successful and it would not be required until the 2022/2023 financial year.

The club currently has an amount of \$52449.00 in our bank account and we believe that the loan could be paid back within a 5 year time frame with the amount of \$6034.00 paid annually. The new courts will be pivotal to our clubs growth and we would like to thank the Shire for their support and assistance to date. The 2021-22 season has been successful, we have enjoyed increased membership and good patronage with our tournaments, which are our major fundraisers. The new courts will ensure the club continues this success and enable us to maintain our strong presence within the Great Southern region.

Should you have any queries regarding our request please do not hesitate to contact myself or Chris Tomlinson.

**Kind regards,**

*Sonia Addis*

**Secretary**
