Why should local government bear the burden of GP provision?

The Albanese government made changes to Medicare on 1st November 2025, with an eye watering huge investment of \$8.5 Billion.

According to the Cleanbill 2026 Blue Report*, regional and remote communities have seen a welcome rise in bulk billing rates. But for many of my constituents, access to a GP is still limited, out of pocket costs remain high, and the burden of keeping doctors in town has quietly shifted from the federal and state governments onto those least able to afford it: local governments.

I have been receiving regular updates from the Local Government Rural Health Funding Alliance, led by six rural O'Connor Shires Lake Grace, Kojonup, Gnowangerup, Jerramungup, Ravensthorpe, and Narembeen who are tackling this issue head-on.

The Alliance have found that across rural and remote WA, council spending to support GP services has risen from \$7.8 million in 2021-22 to \$9.5 million in 2024-25,

with 91% of that funding coming from councils with fewer than 5,000 residents.

These councils are not just topping up salaries they are providing housing, vehicles, clinic space, paying utility bills and funding administrative support simply to keep a doctor in town.

Local governments exist to deliver roads, waste services, and community infrastructure - not to underwrite the national health system. Every dollar diverted to keeping a GP practice in their community is a dollar not available to spend on roads, rubbish or recreation.

When local GP access declines, the costs do not disappear, they shift to ratepayers.

Hospitals see increased presentations for conditions that should be managed in primary care. Ambulance services, often run by volunteers, are called on to transport patients vast distances to care.

Families end up shouldering increasing costs of transport, accommodation and unpaid care. I am aware that many O'Connor constituents, especially older people are delaying or foregoing treatment altogether.

The improvement in regional Medicare bulk-billing rates shows that targeted policy can make a difference. But policy success should also be judged by who is still paying the price?

Right now, in my electorate of O'Connor, that price is being paid by our shire councils using up to 16% of their rate revenue to cover GP costs and by patients facing higher out of pocket costs.

Regional WA deserves a health system that works by design, not one propped up by shire council budgets. Residents of O'Connor deserve so much better in the middle of a fuel and cost of living crisis.

SHIRE SNAPSHOT

Congratulations to Our Councillors!

The Shire of Cranbrook is pleased to congratulate and warmly welcome our newly elected Councillors following the recent extraordinary local government election.

We extend a special welcome to Cr Harvey Gillam and Cr Peter Beech on their election to Council. We look forward to the fresh perspectives and energy they will bring to the team. We also thank our community for its strong participation, ensuring that local voices were heard.

This election saw one of the highest participation rates to date, with 43.66% of ratepayers voting—338 out of 781 residents casting their ballots. We also acknowledge Tony Smith for his candidate nomination, which we believe contributed to the strong voter participation. Under the Local Government Reforms, should a vacancy arise on Council within the next six months, Tony Smith may be invited to consider appointment to that position.

We sincerely thank retiring Councillors Cr Robert Johnson and Cr George Pollard for their dedication and valued service to the Shire of Cranbrook community.

Looking ahead, we are excited about a positive and productive term for both Council and the wider community.

Finally, the strong voter turnout may in part reflect the accessibility of the postal voting system, which appears to have made participation easier for many residents. We welcome feedback from the community on their voting experience, particularly regarding convenience, as this will help inform future election processes.

We also congratulate Shire President Cr Perin Mulcahy on her appointment as a local government representative to the Great Southern Development Commission Board. Her appointment has been approved by the Minister for Regional Development, the Hon Steven Dawson MLC, and the State Government Cabinet.

SHIRE SNAPSHOT

The Shire of Cranbrook is currently reviewing the shire owned horse paddocks in line with the Strategic Community Plan 2025-2035 to support an engaged and inclusive community culture. The Shire is seeking expressions of interest in the use of the horse paddocks, communal paddock and exercise arena by both individuals and community groups.

We would like to hear from interested community groups on future uses of the facilities to ensure upgrades meet the requirements.

We currently do not have vacancies in the existing paddocks but would like interested residents who wish to lease available paddocks in the future, to email their interest into the shire.

Please email Stephanie Waldron, Project Officer at stephanie.waldron@cranbrook.wa.gov.au with your name, address, email and contact number.

Important Information Before You Pay Your Rates

Every Rates Notice comes with its own unique BPAY Reference Number – and it's essential you use the correct one when making a payment.

⚡ If you don't, your payment may not be applied to the correct property... what does that mean?

⚡ That means you could be charged interest on what appears to be an 'unpaid' Rates Notice – even if you've already paid!

✅ What to do:

- ✓ Check your Rates Notice
- ✓ Use the unique BPAY Reference provided
- ✓ Pay each Rates Notice separately via BPAY
- ✓ Avoid unnecessary fees or confusion

Stay on top of your payments – double-check before you pay! 📁

🕒 Paying your rates after the due date means interest will accrue daily on any overdue amount – so it pays to be prompt.

Sometimes the best laid plans go out the door as was the case with the Cranbrook Show being cancelled due to weather. Congratulations must go to the organisers who had planned an amazing event for the community. You made the right call by cancelling as the weather on the day was just not good.

Here at the Men’s Shed we had for the first time in a number of years enjoyed some quality time in the workshop making some items to sell instead of doing construction work. The comradery during the leadup was fantastic with some of the members having a few laughs and enjoyment watching design concepts fail, or malfunction. When you get a group of blokes together, anything is possible. But at the end of the day, we were well prepared and ready to go. We intended selling some Toasty Tongs \$1, Oven Push/Pull sticks \$2 and Mouse Bait Stations for \$5. So if you would like any of these items pop into the Shed on any Thursday or Saturday morning between 9am and 12 midday to buy one.

The Cranbrook Community Men’s Shed would like to sincerely thank the Shire of Cranbrook for the generous grant received . The equipment purchased with this grant is already making a difference with both the woodwork and metalwork sections in operation creating some great projects.

Our involvement with Anzac day continues with a hardy team getting up in the wee small hours to cook breakfast. Thanks to a marvelous team, Tony and Carl on the barbecue, Geof and Mal working the toasters and our wonderful associate members Sharon and Anne wrapping and serving 100 bacon and egg sandwiches to a very grateful community. Well done team, you are awesome.

Now is an excellent time to consider joining the Men’s Shed with winter coming on, our wood fire will be working overtime as the Lads sit around with a hot cuppa enjoying some good company and lively conversation. You don’t need a trade and you don’t need to pick up a tool or do heavy work. It’s all about sharing a couple of hours with like minded men for the company and support. Why not pop in and see for yourself.

Our shed is open every Thursday and Saturday mornings 9.00 to 12.00. We welcome new members. Contact Mal – 0410 568 519 or Dobby - 0400 612 196

We would like to take this opportunity to extend a grateful note of thanks to our annual advertisers who continue to support your local community paper with their paid advertising; some of these have been with us since inception of the local rag in early 1998.

This greatly assists us with production costs. Thank you all.
