Important Information Before You Pay Your Rates

Every Rates Notice comes with its own unique BPAY Reference Number — and it's essential you use the correct one when making a payment.

👉 **If you don't, your payment may not be applied to the correct property... what does that mean?**
💥 **That means you could be charged interest on what appears to be an 'unpaid' Rates Notice — even if you've already paid!**

✅ **What to do:**

✓ **Check your Rates Notice**
✓ **Use the unique BPAY Reference provided**
✓ **Pay each Rates Notice seperately via BPAY**
✓ **Avoid unnecessary fees or confusion**

Stay on top of your payments — double-check before you pay! 💳
🕒 **Paying your rates after the due date means interest will accrue daily on any overdue amount — so it pays to be prompt.**

From the Principal's Desk

What a privilege it has been for me to return to Frankland River Primary School whilst Ms Morris has been away on Long Service Leave. Some of the best moments of my education career have occurred at Frankland River Primary and it is so wonderful to see the students who I had the privilege of teaching in pre-primary are now leaders of the school and in their final year.

Over the past two weeks the students have spent their mornings practising for the Jump Rope for Heart Jump Off Day which will be held in conjunction with the school's Learning Journey. Students have also enthusiastically trained for the Faction Athletics Carnival both during class time and at recess and lunch.

It has been a pleasure to work alongside the Student Councillors as they diligently prepare for and present the Monday morning assembly which draws attention to the Behaviour Expectation for the week and celebrates personal and academic successes amongst the students. I have been impressed with the organisation and responsibility these students demonstrate in their leadership roles.

It has been lovely to visit classrooms and see all the incredible learning opportunities the students at Frankland River Primary are exposed to and to celebrate with the students who have visited me in the office to share their amazing reading and share their work.

I would like to thank the staff, students, parents and family members of Frankland River Primary for making me feel so welcome and I wish you all a wonderful Term 3 holiday period.

Warm Regards,
Holly Francke

Faction Athletics Carnival

We were very fortunate with the weather for our faction carnival on Friday, in fact it was a tad bit warm! Congratulations to all our students who competed admirably. It was especially enjoyable to see some close finishes and tightly contested events, made all the more special by lots of encouragement. As always, a huge thanks to all our volunteers and supporters and our P&C who catered for lunch. Huge thanks also to all our staff in particular, Mrs Andersson and Mrs Francke who worked tirelessly with the paperwork and to Ms A and Mrs Dove for their efforts in preparing the track and jump pits.

Book Week

Book week was a huge success with the week starting with our annual parade. We were all wowed by the incredible costumes we saw, and it was amazing to see how some of our favourite book characters were brought to life by our staff and students. We discovered how to turn our ideas into amazing stories with the help of a visiting author Dianne Wolfer, and we all enjoyed participating in the book swap, with children eagerly reading their 'new' books. A huge thank you to the parents, families, students and staff for getting involved in our events and to the Frankland River CRC for organising the author visit.

Learning Journey and Jump Off

Our Term 3 Learning Journey will be held on Thursday 24th September on the tiger turf.

We have over 50 years experience in the Shearing Industry and have seen it all, so we are very aware of how hard the farmers are doing at the moment, I am always available to talk with the farmer.

In other words I do not ignore my calls!

My team is reliable and get along well with the farmer, so it takes a lot of stress out of Shearing when the Contractor is available, and the farmer can come into his own shed and talk with the team and be treated with respect…

We are a 1 team operation so we take care with the farmers sheep and have pride in our work!
